

A Summer to Remember

Justin Morton

This has been one crazy, but exciting summer. We have had the opportunity to experience and share so much together. Consider just a few of the things we have enjoyed:

Summer Camps Attended = 5
Hours Spent Together = 587.5
Miles Traveled Together = 1,689
Meals Eaten Together = 75
Bible Classes Together = 177
Growing in Faith and Fellowship = PRICELESS

Like I said, this summer has been exciting and hopefully life changing as well. It's definitely a summer I will not soon forget. I would like to take a minute to thank a few people who helped make our summer so incredible.

To the Elders: Thank you for your support and encouragement of the student ministry. Your love and concern for our young people is evident by your words, actions and countless prayers.

To the Karns Congregation: Our young people are blessed tremendously to be a part of a congregation who believes in them. Through your kind words and pats on the back we understand we are not the church of tomorrow but rather a part of the church of today. Thank you for your love, support and encouragement of the student ministry.

To the Parents and Families: Thank you for encouraging your kids to attend every activity possible, even when that meant you had to sacrifice in order for your child to have such experiences. Karns is blessed with some of the most godly parents on the planet.

To our Amazing Young People: Words cannot express how extremely proud I am of each and every one of you for your participation and excitement this summer. This has truly been one of the most rewarding summers of my life. Together we have been able to grow in our walk with God and share in some great memories. Miranda, Caden and I love you all and consider ourselves blessed to have the opportunity to work with each of you and your families.

Although our summer has come and gone, I hope and pray we will build on our amazing summer throughout the upcoming year and continually grow in our relationship with God and one another. May we always look back on the summer of 2013 with great memories, and use these experiences to help us be more like Jesus.
