

## **We Need Your Help**

In the Karns Vision Book for 2014, the elders published a set of goals for themselves and for the Karns family. One of the goals for the elders is to prepare God's people for works of service, so that the body of Christ may be built up (Ephesians 4:11-16). A family goal for 2014 is to increase the number of people involved in our church family work. At the halfway point in 2014, the elders prayerfully ask that each of you consider the work of the family, and where you can help.

There are numerous opportunities to help. We are in need of members to help prepare Wednesday night dinners, prepare the communion trays for Sunday, write cards and letters, visit shut-ins, conduct Bible studies, assist with correspondence courses, youth events, classes, etc. The list is not endless but sometimes seems to be. We need your help so that we truly can be "the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love." (Ephesians 4:16). If you would like to know what you can do to help, ask one of the elders, deacons, or fill out one of the involvement forms.

Jesus told his disciples in Matthew 9:37-38 "The harvest truly *is* plentiful, but the laborers *are* few. Therefore pray the Lord of the harvest to send out laborers into His harvest." The elders pray that we can involve more people in the work of the Karns family so that we can glorify God and become more Christ-like.
