

Men's Retreat

Well, another year has come to a close. A whole year passed which drained our energy, making us less productive and efficient. We all need to have our batteries recharged from time to time. "Get away from it all" is a phrase we use. Some ways to accomplish this are by taking vacations, just staying home, or doing something to break the routine or rut we are in. We have examples of Christ going off to be alone.

Each year, the congregation hosts retreats. The purpose is to go off somewhere to be with each other and have fellowship, good food, and good study sessions. The men's retreat will be March 7th—8th and the theme is "Who's your Son in the Faith?—the Need for Spiritual Mentors." Over the past few years our retreats seem to get better and Mike Baker, of the Crieve Hall congregation, will be our guest speaker this time.

The elders would like to encourage all the men of the congregation to make plans to attend this year. We believe it will be uplifting to everyone. We also encourage the fathers of young men to bring them. Please sign the sheet, keep checking the bulletin and watch for further announcements.

Colossians 3:16 says, "Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God."

Make your plans. We look forward to seeing you there.

For the elders,
Don Wagner
