

Our Source for Help

The recent tornados in Oklahoma affected so many innocent lives. This storm caused so much devastation and mental turmoil it is hard to comprehend. Sometimes bad things happen in our lives and we don't know why (and may never know) but we can be sure of one thing and that is God will never forsake us. Most of the material things which were lost can be replaced, and life will go on despite all of the loss. I'm sure that down through the ages many people have found themselves in similar situations.

One such event is detailed throughout the book of Job and many people might consider it one of the worst. However, the silver lining in Job's case was the fact that throughout his whole ordeal he never lost his faith in GOD.

There will be a time for rebuilding and this tragedy will become a memory but it will never be forgotten by those who experienced it. Many will say this is going to be an impossible job but through faith we can succeed, if we only remember the words of Jesus: *"With men this is impossible, but with God all things are possible"*(Matthew 19:26).

Through our belief, faith, and obedience to Him, it is said in Mathew 7: 7-8 *"Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. For everyone who asks receives, and the one who seeks finds, and to the one who knocks it will be opened."*
