

Thanks

Well the year 2011 is over and we are looking forward to 2012. First, let's look back on 2011 and reflect on it. We are to be thankful for all we have and give GOD the glory for those things accomplished. We have a lot of assets at Karns and are able to do good works that glorify GOD. There is one asset we have that sometimes goes unnoticed but not unused. The **ladies** of our congregation are that asset. We sometimes take a look at all the blessings we have and we can't even begin to list all of them. The list just seems to keep growing as we start naming them. The same thing happens when we look at the list of things the ladies of Karns do.

I won't be able to name all they do but let's just name a few. They are secretaries, cooks, waiters, designers, teachers, organizers, babysitters, bookkeepers, librarians, housekeeping and store keepers. Their list can just keep growing. Wait a second. Guys you need to take special notice of this one. In 2011 they even formed a construction crew and redid both the bathrooms. It seems like their talents are unending.

Karns is such a wonderful place to worship. Our congregation has a spirit for getting involved and making things happen. Our Vision for 2012 will be issued soon and we look forward to accomplishing the goals set for us. Thanks for all the hard work in 2011 and 2012 will be just as rewarding as we keep our focus and faith on GOD and doing His will in all that we do.

For the elders,
Don Wagner
