

This Too Shall Pass

When I was still working and making a living, I had a plaque that hung on the wall in my office with this saying: "THIS TOO SHALL PASS" It didn't matter how good or bad things were, I could always look at that saying knowing it applied to everything that was going on around me.

There is one thing I know which will not pass and that is God's word. It will be with us through eternity. We need to be reading His word and finding out the things we need to do. Do you take your Bible home from church and place it somewhere on a shelf or lay it on a table then go back and get it to take it back to church?

In Steve's sermon he emphasized we only have 4 hours of church a week. Do you read your Bible and study what Jesus and the others said about being one of God's faithful children? 2 Timothy 2:15 states, " Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth". Read your Bible daily, extend your time in worship with God, live by God's rules and become a worker who is not ashamed.

Remember what God told us in Revelations 3:15-16: "I know your works; you are nether cold nor hot. Would that you were either cold or hot! So, because you are lukewarm, and neither hot nor cold, I will spit you out of my mouth." You and God both know what you do with the time you have, so make good use of it. Live in God's shadow and you will be approved and rewarded according to His word.

May God bless and be with you always.

For the elders,
Don Wagner
