Matthew 26:26-30

Matthew 28:18-20

## **CONSISTENCY**

Mark 12:14

John 18:20

John 5:17

## **ENDURANCE**

John 19:30

Philippians 2:5-8

There are teachings in the Bible so complicated only God knows the fullness of their truth. Nevertheless, there are simple things we all can and should do. There are things we can all readily understand. We also have no difficulty understanding the nature and power of consistency. It has a history and it allows predictability. Endurance is also a simple, but powerful thing. It is about staying the course—no quitting until we die. Jesus has brought glory to such things, so should we.
